

TODAY AT THE DOD

Finally made it to the last day and it is the turn of the senior county championship teams to show their stuff. West Glamorgan will take on Mid Glamorgan and South Glamorgan take on Carmarthenshire. I will post teams and rink draws as we have them.

Overall 118-89

I would close by thanking everyone who helped make this years national finals a real success. There are always ways of improving but we try our best.

Everyone at Llandrindod Bowling Club for their hospitality and everyone there who assisted with providing the great greens for our use, providing food and drinks for everyone and the live scoring team and all the many tasks often over looked to help make the event a joy for everyone.

Everyone who volunteered to help with program selling and raffle selling, as well as donators of raffle prizes.

All the markers and umpires who officiated this year, without whom these competitions would not happen.

All the players, supporters and visitors for attending the finals.

All the officials who helped run the competitions and of course our president, Heulwen, who has been ever present and conducted her duties most excellently.

Special thanks to Steve Watson, sporting highlights, for his continued support and photography and Alis Butten for her social media input and skills.
